Officer name:

Reference

Date (must be pre-application submission)

Although the approved outline application is for the erection of 2no. dormer style dwellings, a non-material amendment application (s.96A), to remove the dormer element and detached garage element of the proposal from the outline permission and for the description to be read as 'the erection of two no. dwellings and associated garaging, and new vehicular access to highway' would likely be supported as this does not change the principle of the outline permission.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
