| Is a new or altered vehicular access proposed to or from the public highway? O Yes |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ⊗ No |
| Is a new or altered pedestrian access proposed to or from the public highway? ○ Yes ⊙ No |
| Are there any new public roads to be provided within the site? ○ Yes ⊙ No |
| Are there any new public rights of way to be provided within or adjacent to the site? ○ Yes ⊙ No |
| Do the proposals require any diversions/extinguishments and/or creation of rights of way? ○ Yes ⊙ No |
| Vehicle Parking Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces? |
| ○ No |
| Please provide information on the existing and proposed number of on-site parking spaces |
| Vehicle Type: Cars Existing number of spaces: |
| 0 Total proposed (including spaces retained): 2 |
| Difference in spaces: 2 |
| |
| Trees and Hedges |
| Are there trees or hedges on the proposed development site? |
| ✓ Yes○ No |
| And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No |
| If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'. |

| Assessment of Flood Risk |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) |
| ○ Yes② No |
| Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Yes No |
| Will the proposal increase the flood risk elsewhere? ○ Yes ⊙ No |
| How will surface water be disposed of? |
| ☐ Sustainable drainage system |
| ☐ Existing water course |
| ☑ Soakaway |
| ✓ Main sewer |
| ☐ Pond/lake |
| |

| |

| Authority Employee/Member |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member |
| It is an important principle of decision-making that the process is open and transparent. |
| For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. |
| Do any of the above statements apply? ○ Yes ⊙ No |
| Ownership Certificates and Agricultural Land Declaration |
| Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) |
| Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D. |
| Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? Yes No |
| Is any of the land to which the application relates part of an Agricultural Holding? ○ Yes ⊙ No |
| Certificate Of Ownership - Certificate A |
| I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding** |
| * "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run. |
| ** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act. |
| NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding. |
