Drawing Title:
 Topographical Survey (Sheet 2 of 4)

Client:

Simon Morray-Jones Architects

Date:	23rd April 2021	Scale:	Rtd 1:500 Drain 1:200 @ A1
Grid Orientation:	North GPS	Sheet ID:	SM\Ampley\TOPO
Site Level Datum:	OS GPS	Surveyed By:	JTS
		Drawn By:	JTS

Coordinate System

This survey has been oriented to the O.S. National Grid (OSGB36) via a global position system and the O.S. Active Network (OS Net) OSGB36. True OSGB36 coordinates have been established at STN3 E 406422.848 N 201972.106 and a further OSGB36 point established to create a true O.S. bearing for angle orientation. All levels are based on O.S. Datum. A scale factor of 1:1 has been applied to the survey and therefore the coordinate system must be considered arbitrary.
