

## The Bungalow, 9 Lynwood Grove proposal

The Bungalow is part of the Key Care & Support service provision.

Key Care & Support, registered with Care Quality Commission (CQC), excels in providing support to children living at home with parents, and are proud of our service provision, achieving a 'Good' rating with CQC ( see our latest report [here](#))

The Bungalow is a two bedroomed home providing safe respite for children and adolescents, from 1 night to 21 nights, dependent on each child's needs and family requirements.

Being a small home, we can provide true individualised support and care to each child accessing the service, ensuring the respite is both beneficial to child and family alike.

A true and real break for everyone!
