

Fire Statement

8 Station Way, Sutton, SM3 8SW

1. Site Description

The site is located on the west side of Station Way within a Conservation area but the building itself is not a listed. The property is a three-storey terraced mixed-use building. The ground floor is currently a salon called Hair Moda.

2. The Proposal

The proposal include the installation of a clear double glazed window, a entrance door, a new retractable awning and a wall mounted flag pole. These changes aim to enhance the energy efficient within the premises and contribute positively to the overall aesthetics of the streetscape and the public in the area.

3. Means of Escape

The shop entrance will serve as the emergency escape exit and the width of the entrance door is set to be more than 750mm.

4. Assembly Points

Designated fire assembly point is out on the main road.
