permission for timber
fence along drying area

Dear Sir/Madam

enclosed is photo of timber fence plus a photo of area of fence marked in red. the fence in question is exactly same height as fence on other half of drying area belonging to 11B Roxburgh Drive, Bringing the height of my fence down will just make area look odd and out of place I trust you will understand this also enclosed is payment of £75 this wasn't clear on the original application as it said £300 for fencing for personal use.

yours sincerely

Maureen Lewis
