Description of Proposal

Please describe the proposal including any change of use: * (Max 500 characters)

The proposal is for the change of use of an outbuilding, which was built during the COVID-19 pandemic to enable to continuation of my business, whilst UK and Scottish government advice was for everyone who could work from home, to do so. The outbuilding is small and of timber framed construction, housing a music studio within which are various musical instruments. The sole purpose of the outbuilding is for the delivery of music education for children and young people.

Is this a temporary permission? * Yes No

If a change of use is to be included in the proposal has it already taken place? Yes No
(Answer 'No' if there is no change of use.) *

Has the work already been started and/or completed? *

No Yes – Started Yes - Completed

Please state date of completion, or if not completed, the start date (dd/mm/yyyy): *

Please explain why work has taken place in advance of making this application: * (Max 500 characters)

As mentioned previously, the outbuilding was constructed to ensure the continuation of my business during the COVID-19 pandemic. Before construction commenced, I researched to try to determine whether planning permission was required and it appeared to me that none would be required. Only after contact from the Local Authority did it appear that permission may actually be required and as such, this retrospective application is being made.
