Good Morning,

No problem at all.

Yes could you apply the information to the LBC application.

I wasn't 100% certain that an LBC would actually be needed as we are not attached to the building. But for the time being unless told otherwise, please do attach the information to the LBC app.

Best Wishes,

Jack

Good Morning,

Many thanks for the below and attached which validates the above referenced planning application.

Do I have your permission in writing to apply the information to the associated Listed Building Consent ref 23/02511/LBC or do you intend to respond separately to that request for more information?

Many Thanks

Sharon Embleton
