We will not acknowledge receipt of your comments. However your views will be taken into account when a decision is made on the application. Your letter or email will be placed on a public file and cannot be treated as confidential. Please note that all representations including names and addresses will be published on our website as part of the application but we will not publish sensitive information such as signatures, telephone numbers and email addresses. Please ensure that you provide us only with information that you are happy to be made available to others. Anonymous representations cannot be taken into account.

If you are not the owner of the property to which this letter is addressed, please tell the owner about this notification letter as soon as possible.

Commenting on planning applications

If you wish to make comments on a planning application, they must deal with issues relating to planning law, which exists to control development and use of land in the public interest:

- | | |
|------------------------------------|---|
| ✓ Local planning policies | ✓ Government advice |
| ✓ The effect on the street or area | ✓ Size, layout and density of buildings |
| ✓ Design, appearance and materials | ✓ Adequacy of parking |
| ✓ Traffic generation and safety | ✓ Overlooking and loss of privacy |
| ✓ Noise and disturbance | ✓ Ground contamination |

The planning system does not exist to protect the private interests of one person against the activities of another. It can be difficult to distinguish between public and private interests, but this may be necessary on occasion. The basic question is not whether owners and occupiers of neighbouring properties would experience financial or other loss from a particular development, but whether the proposal would unacceptably affect amenities and the existing use of land and buildings which ought to be protected in the public interest. Therefore, certain issues are not covered by planning law and cannot be taken into account. These include:

- | | |
|--|---|
| × Structural stability and fire precautions | × Private rights of way |
| × Loss of property value | × Matters covered by leases or covenants |
| × Disturbance from construction works | × Ownership rights |
| × Competition | × Private issues about drains |
| × Land and boundary disputes | × The identity or personal characteristics of the applicant |
| × Property maintenance issues | × Loss of view |
| × Need for development (except in certain defined circumstances) | |

How long do I have to make comments?

It is important that you send us your comments as soon as possible. If they are received outside the time limit stated in this letter, you will miss the opportunity to have them taken into account. Please also note that they cannot be treated in confidence and will be available to the public.

Can I discuss the application?

If you are concerned about the proposal or need clarification before writing, you can talk to the case planning officer. Your local district councillor will also be able to listen to your views but will not be able to discuss the merits of the case with you as this may prevent them speaking about the application if it is to be dealt with at committee. Details of your councillor can be found on the Council's website or you can contact Planning Services for the information on Tel: 01252 774419 or by email: planningadmin@hart.gov.uk

What will happen to my comments?

Any comments you make within the set time limits will be taken into account in reaching a decision. However, planning staff and councillors have to consider every aspect of the application and all relevant issues and the final decision may be contrary to your views.
