## Description of Proposed Works

Please describe the proposed works

Dropping the kerb to the front of the property boundary to convert the front garden into a driveway (same as neighbours have done) accessed from Gloucester Road B4228. Using Tarmac (same as neighbours) for the drop kerb. The front garden is already gravel with a small concrete path running down the middle, this will be kept as it is good for drainage, but a small boundary will be created to keep the gravel within my boundary lines. The red brick and metal gate to the front of the garden will be removed. The fencing on the right (when looking from Gloucester road to property) defining the property boundary line will be kept (running at right angles to the road and property). The small white brick rendered wall defining the left property boundary line will also be kept (running at right angles to the road and property).
