Details of the pre-application advice received

As mentioned there was no pre-application advice received. The garden hut was built unknowingly that it had exceeded height and boundary dimensions.

Jonathan visited site to view the hut / outbuilding and kindly sent me an email to confirm what possible options were available to me, one of which was to submit retrospective planning permission for the outbuilding.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(b) an elected member

(c) related to a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
