Kingston Tree Care & Ground Care

Date 15/11/23

Dear Sir/Madam

Please find enclosed tree application, photographs, and plan for tree work: St Giles Church Yard, Church Lane, Kingston, Canterbury, Kent. CT4 6HY

## Windblown Willow Tree

With Ganoderma bracket fungi at the base, also major dieback at the centre of the tree.

Recommend: Section take down to ground level

## Conifer Tree

Root system lifting and damaging the tombstones.

Recommend: Section take down to ground level.

Yours sincerely
