Good Afternoon

I have had your client ring in today, a lovely gentleman called Mr Wilkins. He is keen to progress with works to the tree covered by a TPO at his property. I have attached the invalid letter for your attention. You have stated a 3m reduction of the tree, all we need now is for you to state after the works what the overall height and diameter of the tree will be.

If you wish to email me the amended description then I can change the application on your behalf.

Kind Regards
