Further to your recent letter advising that the application is invalid, please find below and attached the required information.

1. The planning application fee has been paid electronically today.
2. A Design & Access Statement and a Heritage Statement are attached.
3. A Land Contamination Report is attached.
4. An Arboricultural Report is attached.
5. I have attached for reference a pdf of our application form, which states that Hawthorn Leisure are the owners of the site. I can confirm that they own the entire site.
6. An Ecology Report is attached.

I trust you have everything required to validate the application. I would be grateful if you could confirm there is nothing else you need.

Many thanks
