Description of Proposed Works

Please describe the proposals to alter, extend or demolish the listed building(s)

One of the sash window panels in the first floor front elevation window has rotten joints. They have proposed to replace the panel with a new one which will be identical in appearance, made from the same material (wood) and be of the same construction technique (timber single glazed putty faced). Note that only the affected panel will be replaced, the rest of the window will be left unaltered.
