

Statutory Declaration

I Dr Judith Waine of Blenheim Cottage, The Square, Freshwater PO40 9QH do solemnly and sincerely declare:

1/ I have lived at Blenheim Cottage since the 15th of July 2015 'till the present day, and Blenheim Cottage has been my only residential home during this time.

2/ For clarification, I misunderstood Q15 of the PCN I signed on the 25th of July 2023. Q15 should have read that Blenheim Cottage was my main residence for 52 weeks of the year in 2019, 2020, 2021 and 2022 as I did not travel on holiday or to study during these years, due to the pandemic. I found the PCN form confusing and did not fully understand the question.

I make this solemn declaration conscientiously believing the same to be true, and by virtue of the provisions of the Statutory Declarations Act 1835.
