To whom it may concern -

We understand that Dr Judith Waine living in Blenheim Cottage, needs neighbours or previous neighbours to confirm the use of Blenheim Cottage prior to her moving there July 2015.

We lived at Westbourne for 26 years and to the best of our knowledge, Blenheim Cottage was

P.T.O

always used as a residential home
and not for holiday letting,
I'm sure others can give more detailed
knowledge, but am sure its never
been let for holiday use.

Thank You
