Comment Reasons:

Comment: To whom it may concern, I met the present occupier of Blenheim Cottage during my daily dog walking. She is a well-known and respected member of the Freshwater Bay community, and has lived happily in Blenheim Cottage rightly, or wrongly for many happy years. What a shame this might all come to an end! Many of us who live in the Freshwater Bay Area know many of the properties are now used as second homes and holiday lets etc. If, in their wisdom, the planning committee grants a change of use to permanent occupation, it would be one small step in addressing the balance. We do not need anymore second homes holiday lets etc, we need permanent homes.
