Case Officer: Ms Julie Hine

Customer Details

Name: Not Available

Address: Not Available

Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We oppose these works on the basis that it will overlook our back garden and we see this as an invasion of our privacy.

On the basis that a previous application on our property has been rejected for a similar works package I strongly suggest that this work is not approved.
