| Supporting information requirements   |
| Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.                               |
| Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.   |
| Your local planning authority will be able to advise on the content of any assessments that may be required.  |

| Authority Employee/Member   |
| With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff   |
| (b) an elected member   |
| (c) related to a member of staff (d) related to an elected member   |
| It is an important principle of decision-making that the process is open and transparent.   |
| For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority. |
