

**Location: Toucy, Rectory lane DA14 4QW.**

**Permission / lawful dev certificate sought for adjustments to front fences on Rectory lane / Knoll road, addition of iron gates at 2 entrances and replacement of other fence panels where needed along Knoll road as follows :**

1. Replacing front fence aalong rectory lane and top of Knoll road with fence of same material but at a height of 1.4 metres or 4.5 feet.
2. Adding iron gates to both entrances (1 set rectory lane, 1 set Knoll Road) At same height as fence. Gates can be seen through (see below)and are very similar to next door (Selwood) and other homes along rectory lane.

Gates will be black ironmongery like the ones shown below at a height of 54 inches or 4.5ft (low) to match the height of the new fence.

3. Replacement of some of the fence panels along knoll road to the same height as existing height where some panels are failing (these are 6 or 7ft high currently). These fences are at the same height as the house opposite has along Knoll road currently (Candleford).
