Reference

Date (must be pre-application submission)

Details of the pre-application advice received

- Acknowledged the Council has not delivered sufficient housing to meet the Islands 5-year land supply obligations
- The Presumption in Favour of Sustainable Development is triggered by paragraph 11(d) of the NPPF.
- Acknowledged the Island Plan is out of date against policies SP1 (Spatial Strategy) and SP2 (Housing).
- Acknowledged the site is in a rural location but is not isolated with limited services and facilities and close to bus stops offering a good service.
- Acknowledged the positive assessment of the site within the SHLAA process and that it is allocated for x15 houses.
- Referenced the built form further east – with Wellow Top Road and its dwellings projecting south – the proposed development would project a similar distance south which would reduce this development's prominence.
- Reduce the number of dwellings. The scheme has followed this advice and illustrative plans shows a reduction in the scheme.
