

- NOTES
1. This drawing has been produced in colour and should be reproduced in colour for clarity.
 2. Highway works are subject to approval by Highway Authority where applicable.
 3. All drainage to be installed in accordance with current edition of Building Regulations Part H and current Sewers for Adoption where applicable.
 4. Invert level, size and cover levels to existing manholes, sewers and ditches to be checked prior to any construction. Any discrepancies to be reported immediately.
 5. All setting out to be in accordance with the Architect's drawings. Any discrepancies between the Engineers and the Architects drawings shall be notified before proceeding. Dimensions must not be scaled.
