

The Deli
115 High Street

Motherwell

To whom it may concern,

I am writing this letter to confirm what we sell and the hours in which we operate. We are open Monday to Friday from 6am till 3pm, Saturday and Sunday 9am till 3pm. last orders are generally around half past two with the shop being closed at 3pm. There is a car park situated across from us for our customers to use and we also have staff parking at the rear of the building. We have around 8 staff who depend on the operating of the business to provide an income for themselves and their families. If we were not able to offer hot food, this would of course affect the business and the staff and of course the local community who have come to depend on us. The deli has been operating for around four years. We have had inspections every year from the food hygiene officers within North Lanarkshire Council who are very satisfied with the cleanliness and operating of the business. We have had or pass certificate with no problems over the years. The menu and food which we sell has never changed. We sell hot breakfast rolls from early morning till around 11.30am. We then sell a small selection of lunch time items including chips, chicken burgers, hamburgers, hot wraps, paninis, and baguettes. We serve the local community and the local school kids who pop in for chips while on their lunch break. We have spoken too several of the local community who are very happy to have us here as there is nowhere else local for them to grab a quick bite to eat and for their kids to get something hot while on their lunch break from school.

Kind Regards

Jason Duncan
