

Your offer from ENVO Energy Solutions includes...

Longi 405W Solar Panel

The Longi 405W panel with its all-black module design has an excellent outdoor power generation and advanced module technology to deliver superior efficiency.

- **Module Efficiency:** 20.7%
- **Weight:** 21.5kg
- **Warranty:** 12yrs
- **Dimensions:** 1722 x 1134 x 30mm

Fox Hybrid Inverter

The Fox Hybrid Inverter is a battery and solar inverter in one unit. It can be coupled with the Longi Solar Panel to generate usable energy in your home.

- **Weight:** 23kg
- **Warranty:** 10yrs
- **Dimensions:** 410H x 178D x 430W mm

Fastensol Mounting Kit

The Fastensol mounting kit is suitable for both pitched and flat roofs and is provided in a black aluminium finish to compliment the Longi Solar Panels.

Additional options

You may have been offered battery storage or a power diverter as part of your Solar Together personal recommendation. If these did not form part of your recommendation, you can still discuss these options when one of our surveyors comes out to measure your roof.

Fox Mira Battery

The Fox Mira is a high-performance, scalable battery storage module. The modular design allows for maximum flexibility, making it suitable for a broad range of storage applications (example data 4.8kWh battery)

- **Depth of discharge:** 97%
- **Weight:** 60kg
- **Warranty:** 10yrs
- **Dimensions:** 244H x 420D x 480W mm

Solar iBoost Plus

The Solar iBoost Plus diverts the surplus solar energy to heat the water in the household tank.

- **Warranty:** 2 yrs
- **Dimensions:** 228 x 255 x 100mm
