Description of Proposed Works

Please describe the proposed works

Permission to increase the allowable height of the fence from 1M to 2M at the front porch of the house. currently fence is 1.5M, also happy to have approval for 1.5M. The fence was without the knowledge of the law that it can not be more than 1M. Our understanding was it could be up to 2M. This requirement was made due to safety concerns of the resident as she is a single girl living in the house. We always had constant issues with drunken neighbors hovering around at the front of the house middle of the night and next-door neighbor's dogs kept coming to the front of the house. Also, neighbors keep walking in front of the house rather than on the pavement. this incident has been captured in the ring door bell. it was a very concerning safety issue as the resident could not sleep at night due to being scared.
