Dear Sonia

Thankyou

I am sorry for our delayed response.

As requested, you will find the following attached:

- Your letter of correspondence
- Our project notes
- Map of locations with the scope of works and reasons

**How to relate trees to project notes**

T1 Oak relates to Trees 1 and Trees 2 on the project notes

T3 Conifer group related to Trees 3 on the project notes

T5 Sweet chestnut lapsed coppice stools relate to Trees 5, Trees 6, and Trees 7 on the project notes

Kind regards

Mike

TREE CARE | LANDSCAPE | CONSULTANCY

Covid 19 – We shall not engage with you directly unless this is requested. Mobile calls whilst on site are a good way of communication. We constantly strive to reduce our carbon footprint. Email images are a useful way for us to provide estimates as we are confident of our services and prices.

Our mission: We care about our living environment, the trees and landscapes that create harmony and enhance our surroundings. We offer our clients a high level of expertise in tree and landscape management, design and consultancy; we work with them to provide, beautiful, creative and practical solutions.
