For the purpose of calculating fees, which of the following best describes the original development type?

- Householder development:** Development to an existing dwelling-house or development within its curtilage
- Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

The construction of a townhouse terrace, comprising six Houses in Multiple Occupancy (HMOs) with amenity provision

Please state why you wish to make this amendment

The mortgage company requires that the description of development matches the plans. The plans granted permission for 6 HMO townhouses. Neither the Local Planning Authority nor the applicant ever intended for a single family dwellinghouse to exist on the site owing to its backland location. The terrace should only comprise 6 HMO townhouses.

Are you intending to substitute amended plans or drawings?

- Yes
- No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- Yes
- No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

Details of the pre-application advice received

Error of both parties acknowledged, the proposition to submit a Section 96A application was invited to reconcile the discrepancy.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
