

**Proposed Agricultural Building at Hailstone Barn, Cherington, Nr Tetbury, Glos, GL8 8SF**  
**Additional Information - November 2023**

- The site is located approximately one and a half miles south of Cherington Village and is accessed via private driveway to the west of the Cherington to Tetbury public road. The proposed building is situated to the west of Hailstone Barn, itself in an agricultural field. A planning permission was given under CDC Ref: 19/04371/FUL for works at Hailstone Barn.
- The proposal is to create a typical Dutch Barn open fronted building with a covered secure store area and open fronted storage for farm vehicles.
- We attach an arboricultural report on the adjoining boundary line.
- We have also taken the opportunity to undertake some ecological enhancements.
- We intend to follow the Barn Owl Trust recommendations within the open areas of the machinery store.
- We also include some relevant information required for the planning application.
- To show the driveway access from the public road, we attach a site identification plan.
- We also attach an aerial view of the Hailstone Barn area.
