Dear Planning Support Team

REFERENCE NO.: DC/23/03357/PLUD
LOCATION: 4 EDWARD ROAD BIGGIN HILL TN16 3HL

Please find set out below the additional supporting information as requested.

We require a single storey outbuilding for recreational use and ancillary to the main house big enough for several reasons as listed below.

- An office space as 2 adults work from home
- A separate office space big enough to house a large table and a drafting table for university studies – a space which is quiet and separate from the house during the day
- A space that can accommodate gym equipment.
- A space to have a full size snooker table without having to put it away or store it somewhere

We have a garden big enough to accommodate such a build which will enhance our living and allow us to stay in this house.

Kind regards

Amanda O'Sullivan
