Principle of development is agreed to be established. Some design and amenity concerns raised regarding footprint, height and bulk of initial 3-storey designs. Designs have since been reduced and revised - refer to separate statement for details. Officers also advised that a full assessment of access, parking and highway safety would be carried out as part of a formal planning application - refer to separate statement for an assessment of these impacts.

With respect to the Authority, is the applicant and/or agent one of the following:  (a) a member of staff  (b) an elected member
(c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?  O Yes
