Identification of Tree(s) and Works Proposed

Please indicate the tree(s) and provide a full detailed specification of the works you want to carry out.

Give details of the species of the tree(s) and include an accurate plan showing positions(s) of the tree(s) in relation to buildings, named roads and boundaries. A group of trees can be treated as one. If the trees are protected by a TPO, please try to number them as shown in the First Schedule to the Tree Preservation Order (for example T3 Oak; two Beech and one Birch in G2; seven Ash in A1; sycamore in W1). You may submit a schedule of works.

Tree description: * tree in rear garden of number 10 sycamore terrace

Works description: * Tree pruning required to clear a line of sight through the tree

Note: if you are submitting a schedule of works or a plan, please give the reference number in the description of the works.

Reason for Proposed Tree Works

Please state the reason why you wish to carry out the proposed works to tree(s). In particular, please indicate whether the reasons for carrying out the proposed works include any of the following. If so, your application must be accompanied by the documents specified. *

- Health or safety of the tree(s) – e.g. it is diseased, fears that it might break or fall.
- Alleged subsidence damage.
- Other (please specify).

If you have selected Health or safety of the tree(s), or Other you should provide a report by a tree professional (e.g. arboriculturist, horticultural adviser).

If you have selected Alleged subsidence damage please provide a report by an engineer or surveyor, together with one from a tree professional – to include date and description of property damage; sub-soil type and shrinkage potential; location of any roots found and their identification; history of ground and building movement through a distortion survey and/or level or crack monitoring over a period of at least 12 months; other vegetation in the vicinity and its management since discovery of the damage.

If Other, please provide further details: * (Max 500 characters)

Job pack provided by openreach will be attached to highlight tree location, line of sight is required between the 2 telecoms poles to allow a new cable to be installed to provide fibre to neighbouring property in Orchardfield Avenue. Minimal cutting required as cabling typically a maximum of 0.5m clearance.
