Listed Building Approval
New Forest District Council
Appletree Court
Beaulieu Road
Lyndhurst
SO43 7PA

18th October 2023

Dear Sirs

Your ref: 23/11033

Proposal: Replacement of windows with wooden conservation windows (application for Listed building consent)

Further to your letter dated 29th September I enclose the further information that you requested.

- Location plan with a red line
- Images of proposed windows
- Floor plan remains the same – no change to it
- Scaled elevations of existing and proposed with pictures of proposed windows.
- Block plan

Re the flood assessment: We recently had a new garage built which is next to the property and on a letter for pre-planning from Kate Cattermole dated 16th July 2022 she stated: Flooding: Flooding Part of your property falls within a Flood zone, however this does not extend to the area of the proposed outbuilding and as such a flood risk assessment would not be required. Can you please confirm if I still need to prepare this report?

If you require anything further please let me know.

Yours faithfully

Suzanne Musker
