Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The building is in sound condition and continues to be used by the British Red Cross to provide equipment for medical assistance. It is an essential community service for Fordingbridge and district. The BRC lease the building from Fordingbridge and District Community Association - Avonway Community Centre.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

We would like a renewal of the temporary position for a ten year period with the condition that it should be removed and its site and land restored to their former condition within 3 months should the building cease to be used as a medical loan facility. We have invested in replacing the accessible ramp to ensure its continued efficacy and see no benefit in applying for a shorter period which diverts resources from the community service we provide.
