## Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Please refer to the Cover Letter

The non-material amendments proposed relate to the amendments to annotated dimensions that were shown on the existing and proposed elevation and section. The annotation relates to the height between the existing and proposed ridge line of the host dwelling and that of the neighbouring property at no. 45 Grosvenor Park.

The application has since been made aware that the annotated measurement shown on the drawings is incorrect and for completeness, they intend to rectify the error. The amendments have no impact on the approved development. The scale and design will remain unchanged. The NMA is simply to correct an incorrect annotation pertaining to the neighbouring property.

A supporting note has been prepared by the Daylight and Sunlight consult which demonstrates that the amendment will have no impact on the assessment and subsequent conclusion of the Daylight and Sunlight Report (dated 12 April).

Please state why you wish to make this amendment
