Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Please state why you wish to make this amendment

The planning permission DC/19/1505/HH previously granted for a garage which is being built at the same time abutting to the extension states UPVC windows, so we wish to use the same modern materials for the house extension. The house to which the extension and garage is being added is 14 years old, modern materials seem appropriate and the new windows and doors have been very carefully selected to match. (it is likely that the windows and doors on the existing house will be upgraded to the same material in a future planning application). The rear windows and doors are large and structurally aluminium seems the only option.

Details of the pre-application advice received

In regards to your query, changing the window material would need to be done under a Non-material amendment application. Given the existing context of the dwelling and the proposal, I do not believe this would be an issue to approve.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- Yes
- No
