Project Notes

EXTERNAL MATERIALS LEGEND - PROPOSED:

- WALLS:**
- Painted textured render (cream) with a clay facing brick plinth below DPC level and creased tile arch to front entrance door (brindle mix) - as existing.
 - Painted (red / brown) brick window cills and clay tile banding in part (at floor level at first floor) - as existing.
 - New walls and detailing to match existing as closely as possible.
 - New parapet walls to include pre-cast concrete once-weathered coping stones.
- ROOF:**
- Replacement profiled interlocking concrete tiles (smooth brown) complete with matching capped angular hip and ridge tiles.
 - 3 no. proprietary roof windows to existing roof to be retained as existing.
 - Proprietary single-sly roof membrane (dark grey) to the proposed single storey extension roof.
- WINDOWS:**
- Existing white uPVC double-glazed replacement casement windows to be retained as existing.
 - New white uPVC double-glazed replacement casement windows as shown. Brick sills to match existing.
- DOORS:**
- Painted (black) timber part glazed entrance doors to the front elevation - as existing.
 - White uPVC double glazed sliding patio doors to the rear elevation - as existing.
 - Colour coated double glazed aluminium bi-fold sliding doors to rear elevation as shown.
 - Proprietary colour coated (brown) panelled sectional garage door - as existing.
- EAVES / GUTTERS:**
- Replacement proprietary white uPVC fascias and soffits to the eaves to the original dwelling and the former lean-to garage roof complete with new / replacement brown uPVC square-line guttering and square downpipes.
- BOUNDARY TREATMENTS:**
- Mature shrubs / hedgerow to front and side boundaries - as existing.
 - Brick piers and timber gates to driveway / front forecourt - as existing.
 - Timber fencing (in part) and mature shrubs / hedgerow to the rear garden boundaries - as existing.
- HARD STANDINGS / LANDSCAPING:**
- Herringbone pattern block pavers to driveway / forecourt and side paths - as existing.
 - Lawn and border planting to rear garden.
