Morning Jan

Our contractor has come back and is recommending 4m on all the trees we have identified as needing crown lifting.

If you need anything further please do not hesitate to contact me.

Regards  
Gill

Morning Jan,

I will speak with the contractor and ask him to supply the information to me.

Do I email the information across to you?

Regards  
Gill

Good morning Gilliam

Thank you for the additional information and photos, these have all been added to the application. However, we will need to know the extent of the Crown lift required measured from ground level on all the trees requiring this type of work. We will need this outstanding information in order to be able to validate this application.

Regards,
