Dear Terry

Thank you for submitting a tree works application for the above location.

To allow me to register your application please could you clarify the work you wish to carry out.

Please could you confirm if you are intending to reduce the lateral branches by 3 metres? If not, please could you specify how much you are intending to reduce the laterals to shape.

If you can email me this information I will add it to your application.

Your application is attached should you need to refer to it.

Regards, Sarah
