HOW TO AVOID & PREVENT SCAMS

Three signs a message might not be genuine: - it asks you to provide sensitive personal or financial information, passwords, or to make transactions by following a link in the message

- it asks you to call a number that is unknown to you
- the sender uses an urgent tone, telling you to "act now"

IMPORTANT: We'll never ask you for your PIN or password by text or email. Please visit **ee.co.uk/prevent-scams**
