

Drawing and design are copyright of Design House Architecture Ltd unless specific consent in writing has been given. All works arising from the information contained on the drawings are to be in accordance with the statutory approvals for planning, building control and relevant codes of practice and/or British Standards unless specific direction is given. All works to be carried out in accordance with CDM regulations for health and safety. Construction Design and Management Regulations also require that a principal designer is appointed for each project, we do not undertake this role unless agreed in writing prior to commencement of works. This can be undertaken by the client (employer) or an individual principal designer to be otherwise appointed. Public sewers under or within 3m of a foundation, structure or an existing structure shall be identified and marked on site and shall be the responsibility of the client or contractor and shall be submitted 14 days before the commencement of work. Any water Authority Building over Agreements should be confirmed and agreed with the authority by the drafter. This disclaimer is not responsible for the approval of any associated planning conditions where required. Do not scale or take digital dimensions from this drawing. All construction dimensions contained in the drawings should be checked on site prior to construction. Calculations and sizes for all structural elements to be provided by a structural engineer to the Building Control Officer and contractor prior to commencement of work. Any discrepancies should be notified to the practice without delay.
