Drawing and design are copyright of DZIGN House Architecture Ltd unless specific consent in writing has been given. All works arising from the information contained on the drawings are to be in accordance with the statutory approvals for planning, building control and relevant codes of practice and/or British Standards unless specific direction is given. All works to be carried out in accordance with local, regulatory for health and safety. Construction, Design and Management Regulations also require that a principal contractor is appointed for most projects. We do not undertake this role unless agreed in writing prior to commencement of works. This can be undertaken by the client (contractor) or an individual principal designer to be appointed. Principal Designer must be appointed in writing on a formal agreement. All construction drawings must be located on site and also verified to the appropriate Water Authority where required by the client or contractor, and submitted 14 days before the commencement of work. Any water Authority Working over Agreements should be confirmed and agreed with the authority for the client. The client/appointee are responsible for the approval of any associated planning conditions, where required. Do not scale or take digital dimensions from this drawing. All constructional dimensions contained in the drawings should be checked on site prior to construction. Calculations and notes for all structural elements to be provided by a structural engineer to the Building Control Officer and contractor prior to commencement of works. Any discrepancies should be notified to the practice without delay.
