Hi Support

Please can the dead Sycamore be set up as a TDD as matter of urgency.

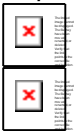

Much appreciated

Nick

Hi Nick,

Thank you for coming over last week and looking at our proposed tree works.

Scott Campbell has phoned - he has a free day tomorrow and can tackle the dead sycamore and dead wood the oa.

Is this feasible - can the work be done immediately as the tree is dropping some large branches and neighbour is expressing grave concern for his children and vehicles.

Is this email sufficient notification or can you take 5 days from your visit on Friday? etc.

Is there a particular form for me to complete? etc.

Its short notice indeed - but he needs an answer from me asap if you could let me have your thoughts.

I attach photos of the sycamore for your file..

Regarding the crown lifts at the front, Jon Olney hasn't come back to me with the marked up photos as promised, nor a quotation, so I'll deal with that application separately.

Bestwishes

Les Hornby
