Pedestrian and Vehicle Access, Roads and Rights of Way	
s a new or altered vehicular access proposed to or from the public highway?	
Yes	
⊙ No	
s a new or altered pedestrian access proposed to or from the public highway?	
○ Yes	
⊙ No	

Are there any new public roads to be provided within the site? Or Yes
⊙ No
Are there any new public rights of way to be provided within or adjacent to the site? ○ Yes ○ No
Do the proposals require any diversions/extinguishments and/or creation of rights of way? ○ Yes ○ No
Vehicle Parking
Does the site have any existing vehicle/cycle parking spaces or will the proposed development add/remove any parking spaces? ○ Yes ○ No
Trees and Hedges
Are there trees or hedges on the proposed development site?
○ Yes⊙ No
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?
○ Yes⊙ No
If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.
Assessment of Flood Risk
Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) Ores No
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? ○ Yes ⊙ No
Will the proposal increase the flood risk elsewhere?
○ Yes⊙ No
How will surface water be disposed of?
☐ Sustainable drainage system
☐ Existing water course

<u>'</u> Soakaway
☐ Main sewer
☐ Pond/lake
Biodiversity and Geological Conservation
Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?
To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.
a) Protected and priority species
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development○ No
b) Designated sites, important habitats or other biodiversity features
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development○ No
c) Features of geological conservation importance
○ Yes, on the development site○ Yes, on land adjacent to or near the proposed development○ No
Supporting information requirements
Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.
Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.
Your local planning authority will be able to advise on the content of any assessments that may be required.
Foul Sewage
Please state how foul sewage is to be disposed of:
☐ Mains sewer
☐ Septic tank ☐ Package treatment plant
□ Package treatment plant □ Cess pit
☑ Other
□Unknown
Other
Not applicable, no new connections to the foul drainage system from the proposed works / relocation
Are you proposing to connect to the existing drainage system?
○ Yes
○ No
⊙ Unknown

Pre-application Advice Has assistance or prior advice been sought from the local authority about this application? ○ Yes ② No
Authority Employee/Member
With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply? ○ Yes ⊙ No
Ownership Certificates and Agricultural Land Declaration
Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.
Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days? O No
Is any of the land to which the application relates part of an Agricultural Holding? ○ Yes ⊙ No
Certificate Of Ownership - Certificate A
I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**
* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.
** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.
NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?
