

Climate Emergency Compliance Form 24 Tredour Road Newquay Cornwall TR7 2EY			
Type of application (Delete as appropriate)		Major (Mj), Minor (Mn) or Householder (Hh)	
Requirement	Is the requirement being met onsite? In full (F) In part (P) Not at all (N)	If 'in full or in part', which document/plan is the evidence included in;	If 'not of in part', please explain reason for non-compliance and identify any measures you are proposing to mitigate for the non-compliance
Mitigation			
M1 - Onsite renewable energy generation (Min 20% for Mn & Mj Min 1kw for Hh)	P	To include 'as designed' SAP as part of application, and 'as built' SAP to discharge condition.	
M2 - Energy storage (All apps)	N		
M3 - Low and zero carbon space and water heating systems (Mj, Mn)	N/A		
M4 - Resilient and low carbon building materials (All apps)	P	All materials to comply with identification of origin	

OFFICIAL

M5 - Demolition and rebuild (Mj & Mn)	N/A		
M6 - Electric vehicle charging points (Mj, Mn and Hh adjacent to off-street parking)	N/A		
M7 Active and sustainable travel (Mj, Mn)	N/A		
Adaptation			
A1 - Passive solar design (All apps)	P	(Must include Part O checklist as a minimum)	Glazing of the proposed extension will enable the sun's energy to contribute to heating the home. The new extension will comply with modern standards therefore adjoining walls to the extension will be better insulated than existing walls
A2 - Protecting our soil resource (All apps)	P	Part of the extension is being built on existing ground floor garage	
A3 - Protecting and enhancing tree cover (All apps)	F	No trees will be affected during and after construction	

OFFICIAL

<p>A4 - Protecting and enhancing gardens, green spaces and greenfield sites (All apps)</p>	<p>F</p>	<p>The existing garden will not be affected</p>	
<p>A5 - Delivering sustainable drainage, surface water management and restricting urban creep (All apps)</p>	<p>F</p>	<p>The extension will be partly built where there is an existing garage</p>	
<p>A6 - Delivering biodiversity net gain and habitat improvements (Mj, Mn)</p>	<p>N/A</p>		
<p>If an offsetting contribution is being proposed to mitigate the impacts of non-compliance, please refer to the most up-to-date Greater London Authority Carbon Offset Funds guidance</p>
