Dear Sir/ Madam

**SHED, CHELVEY COURT, CHELVEY, BRISTOL
APPLICATION FOR A LAWFUL DEVELOPMENT CERTIFICATE**

I wish to submit the enclosed application for a lawful development certificate for a shed at Chelvey Court.

The applicants, Mr and Mrs Hallett, moved into Chelvey Court in 1984. They carried out work to the surrounding land to raise its level under a planning permission no. 751/85. Part of this was a shed, which has been constructed in stages, and was eventually completed in 2011.

I am interested in securing the planning status for the shed, and so make this application. Please find enclosed a completed application form, location plan, copies of the old permission, a photograph of the finished shed, and a cheque for £ 206 to cover the application fee.

If anything is unclear, please let me know.

Yours faithfully
Architecton
