

All Dimensions, Setting out & Levels must be checked on site and refer to Setting out points and Ordnance Datum Newlyn unless alternative Datum criteria given.  
 This drawing must not be scaled - used for land transfer purposes - used on site unless issued for construction and must be read in conjunction with the relevant specification clauses.  
 Calculated areas in accordance with most Definition of Areas for Schedule of Areas  
 Subject to survey and consultation with the Local Authority planning department.  
 All survey information taken from site dimensions and photographs and not an electronic survey.  
 Recommended an electronic survey be carried out prior to proposals.  
 Levels are indicative only.
