Hi Alison

The blue line is in the corners because the Harrisons control all the land around the site visible on the plan.

C N & S A Harrison, Low Ground Farm, Eislack, BD23 3AR – Land Farmed

Land Farmed at Eislack - blue outline owned, red hatched rented.

The only alternative is for me to fill in the lines between each corner to make a rectangle. Is that what Ros wants me to do?

Thank you.
Cathy

Hello Cathy,

Thank you for your email and for reviewing the Flood Risk Assessment.
Thank you we did get the site location plan, but Ros has requested a blue line on it to show ownership of other land surrounding the site please.

Many thanks
Alison

Hello

I have received your letter and will review the detail about the flood risk assessment.

In the meantime, I did submit a site location plan (I have checked the planning portal and can see OT150-3 at :2500) but attach it again. Is there an issue with the submitted site location plan?

Kind Regards

Cathy Dakin
