	i) Store cattle <u>under</u> 12 months old	<u>30</u>	<u>30</u>
	j) Breeding ewes	<u>0</u>	<u>0</u>
	k) Hoggs	<u>0</u>	<u>0</u>
	l) Other stock:	<u>0</u>	<u>0</u>
	Type/No:		
4.	<b>Number of people who work on the farm: 3 and a half</b>		

5.	<b>Details of any land management schemes such as Farm stewardship: Countryside Stewardship mid-tier.</b>
6.	<b>Please provide the name of any person from Craven District Council who has given you advice: N/A</b>
7.	<b>Description of Existing Farm Buildings and how they are currently used:</b> See attached schedule
8.	<b>Description of Present Farming Policy:</b> The dairy herd is a closed herd. The applicants rear all their own follow on stock. They are milked through 3 robots which enables them to spend the time on rearing young stock and animal husbandry.
9.	<b>Proposed Changes to Farming Policy including requirements for additional buildings or development:</b>
10.	<b>Reasons for choosing the Proposed Site and whether any other sites have been considered:</b> The site for the proposed slurry lagoon is adjacent to the existing complex of farm buildings. The slurry lagoon will be used for the storage of slurry and the chosen location is practical in terms of access and convenience. It also has the least impact on the surrounding area.
11.	<b>Other Information - such as if this is proposed as part of catchment sensitive farming or to comply with other legislation:</b> See attached supporting statement
12.	<b>Signed:</b> ..... <b>Cathy Dakin</b> ..... <b>Date:</b> ..... <b>16/11/23</b>
