Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A lawful development certificate to establish that planning permission 20/504086/FULL has been part implemented, and that the remainder of the development may be lawfully completed.

The building works of the approved extension have commenced and this constitutes implementation of planning approval under reference 20/504086/FULL.

The reason for the certificate is because the planning permission is due to expire on the 1st December 2023. The applicant wants the certificate as confirmation the application has commenced following the works starting on site and the planning approval lasting in perpetuity.
